No funds may be expended from the reserve fund account until the required balance has reached One Hundred Thousand Dollars (\$100,000.00) and then these funds may only be used in years when donations do not meet the average normal operating fee incurred by the fund, and funds are expended to meet expenses. The Commissioner for Public Safety shall inquire of each applicant at the time of presentation of a completed license application whether the applicant is interested in making the One Dollar (\$1.00) donation prescribed in subsection A of this section and whether the applicant is interested in being an organ donor. The Commissioner of Public Safety shall also specifically inform the licensee of the ability to make an organ donation by checking the organ donor box on the front of the driver license, commercial driver license or motorcycle driver license that the applicant will receive. The Commissioner of Public safety shall notify the State Commissioner of Health regarding health information obtained from applicants who indicate that they are interested in being an organ donor.

C. The incremental cost of administration of contributions to the fund, not to exceed one percent (1%) of the monies received pursuant to the provisions of this section, shall be paid by the fund to the Commissioner for Public Safety and the
